Biology 109 (Human Neuroanatomy)
FAQS

- **When is the on-line version of Biol 109 offered?**
  Biol 109 (Human Neuroanatomy) on-line version is typically only offered during the Spring semester. This year the course will be offered during the summer of 2006. The course will start in early June and end in early July.

- **Who can enroll in the on-line version of Biol 109?**
  Only non-matriculated or non-SJSU students can enroll in the on-line version of Biol 109. If you are a currently enrolled SJSU student and you need Biol 109 you must take the on campus course which is typically offered every semester.

- **How much will the on-line Biol 109 cost me?**
  The on-line version of Biol 109 costs approximately $1200.00.

- **Does the on-line Biol 109 offer a lab component?**
  Yes the on-line version of Biol 109 has the lab components and all labs will be done online.

- **Will there be a cost for the lab?**
  Yes you will be required to purchase the lab CDs which cost $15.00. We also highly recommend purchasing the lab manual which also costs $15.00. The lab manual is not required while the lab CDs are required.

- **How do I enroll in Biol 109?**
  To enroll in Biol 109 you must enroll via Special Sessions. You can find the registration form for taking classes via Special Session on the SJSU website, [http://ies.sjsu.edu/](http://ies.sjsu.edu/). Print out the course registration form for Special Sessions and fill out all relevant information. You must also contact the instructor of the course via email to receive the course code and permission number.

- **Where can I find more information about on-line Biology 109?**
  Information is posted on the Biology Department Web Page ([www.sjsu.edu/depts/Biology](http://www.sjsu.edu/depts/Biology)) under news and events.
